**PROCEDURE FOR ADMISSION TO A PADCA HOME**

- 1. Look around** the facility which you may be considering as a possible accommodation option. An appointment with the Manager of the facility is advisable.

Should you wish to discuss any aspect of a possible admission or explore alternative options for your particular circumstances, please make an appointment to see one of our Social Workers

Kim Hellberg

on 033 345 4711 / 033 345 4303 / 033 345 4306

*Many people find it useful to discuss the process with a Social Worker anyway, so as to best prepare themselves and/or the prospective resident for the major life changes that they will be making.*

If a state subsidy is applicable to your circumstances, it will be necessary to consult with one of the Social Workers who will need to motivate for the subsidy.

2. **Fill in** the appropriate Application forms. Make use of the check list to ensure that you have all the necessary documents.
3. **Hand in** Application forms + R500 non-refundable Registration Fee to PADCA, either at the Home concerned or at Head Office, whichever is most convenient. Kenwyn Application forms are to be returned to Kenwyn, 99 Pietermaritz Street. No arrangements for admission are made until the completed admission forms together with the registration fee have been received.
4. **When an appropriate vacancy occurs**, the Social Work Officer will contact you to make an appointment to see you at Head Office, 450 Bulwer Street to facilitate the signing of the contract; to arrange for rent collection and to receive a brochure of helpful information. This is essential before an admission can take place.

**Kenwyn admissions are arranged by the Kenwyn Manager**

5. **A date of admission** will be agreed upon and the resident moves in.
