

SUPPORT OLDER PERSONS' WEEK GO BLUE: 26 - 30 SEPTEMBER

Seniors face a number of challenges; financial, emotional as well as physical as they go through the aging process. Creating awareness about these needs is essential to getting assistance and support. Older Persons' Week is about drawing our attention to this important part of our community!

Join hands with us to wrap our city in blue!

Get Involved

Wrap the trees or poles in front of your school, business or home with blue ribbons to show your support!
