

## SUPPORT OLDER PERSONS' AWARENESS GO BLUE: 1 - 30 SEPTEMBER

Seniors face a number of challenges; financial, emotional as well as physical as they go through the aging process. Creating awareness about these needs is essential to getting assistance and support. Our Older Persons' Awareness Campaign is about sharing our knowledge on this important aspect of life!

Join hands with us to wrap our city in blue!

### Get Involved

Wrap the trees or poles in front of your school, business or home with blue ribbons to show your support!

Share our articles on key aging issues. These will be circulated in the local press, and on our website.

Come and find out more at our stand at the Hayfields Mall on 27 Sept! We'd love to meet you!

Share your photos with us on Facebook #GoBlue #OlderPersonWeek

Discuss ways of supporting PADCA with your school children, staff or co-workers

Use your information boards to draw attention to Older Persons Week: Go Blue!
